## Message from Principal

Nursing is a healthcare profession focused on the care of individuals, families, and communities so they may attain, maintain or recover optimal health and quality of life from conception to the end of the life. Nurses have wide opportunities in the hospitals, colleges, communities, research and health development programmes. Nursing is an emerging service based profession and its scope is increasing in every part of the globe. I am impressed by the professionalism, enthusiasm, imagination and commitment of the management. I am delighted and proud to lead this institution, on behalf of the management, faculties, and on my own behalf. I look forward to welcoming you to this intuition. I hope that you reach & fulfill your dream & stay dedicated to your profession.
